

Announcement of the internal grant competition at the Faculty of Law of Palacký University in Olomouc for the years 2025 and 2026

The Dean of the Faculty of Law of the Palacký University in Olomouc announces a call for applications for internal grants of the Faculty of Law of the Palacký University in Olomouc for the years 2025 and 2026 according to Article 3(1) of the internal norm [PF-B-21/13-ÚZ02 Statute of the internal grant competition at the Faculty of Law of the Palacký University in Olomouc](#).

Applications for internal grants for the years 2025 and 2026 can be submitted to one of the following categories of grant support according to Article 2(1) of the internal norm PF UP PF-B-21/13-ÚZ02.

Applications for internal grants are submitted in paper and electronic form to the Vice-Dean for Science and Research through the Department for Science, Research and Project Support of the PF UP. Electronic applications are submitted as an attachment to an email (in doc.; docx. or pdf. formats) sent to kristyna.ondrackova@upol.cz. Mandatory subject line: 'PF 2025/2026 internal grant application'.

Applications can be submitted **until 31 October 2024, 2 p.m.** Only applications that are physically and electronically received by the deadline in complete form and contain all the prescribed elements will be evaluated.

The content of applications is stipulated in Article 2(1) and Article 3(4,5) of the internal standard PF UP PF-B-21/13-ÚZ02. The maximum length of one internal grant application, excluding brief CVs of the principal investigator and other members of the research team, is 10 pages of text. The limit for CVs is 2 pages for each team member. The following formatting requirements apply to applications and CVs: Times New Roman font, font size min. 11, single spacing, margins min. 2,5 cm.

With this call, the dean also sets the list of supported areas and financial limits for each area of grant support as follows:

Strand 1 - Strategic basic research projects:

- Under this scheme it is possible to submit project proposals for 1 or 2 years.
- Maximum amount of remuneration for one researcher/project team member: 40 000 CZK/year (gross salary).
- The maximum amount of the scholarship for a member of the project team – student: 36 000 CZK/year.
- Total maximum amount of support for one project: 250 000 CZK/year.
- The total amount allocated for this scheme for 2025: 750 000 CZK.
- For two-year projects, the minimum mandatory output is a scientific monograph published abroad or 2 articles published in a journal ranked in the 1st or 2nd quartile according to AIS in the WoS database or 3 chapters in scholarly books published abroad.

Strand 2 - Research groups:

- This scheme is open to project proposals for 1 year.
- Maximum amount of remuneration for one researcher/project team member: 20 000 CZK (gross salary).
- Maximum amount of the scholarship for a member of the project team – student: 18 000 CZK.
- Total maximum amount of support for one project: 100 000 CZK.
- The total amount of funds allocated for this scheme for 2025: 200 000 CZK.

Strand 3 - International cooperation projects:

- Under this scheme it is possible to submit project proposals for 1 or 2 years.
- Maximum amount of remuneration for one researcher/member of the project team, employee of the PF UP: 50 000 CZK/year (gross salary).
- The maximum amount of the scholarship for a member of the project team – student: 36 000 CZK/year.
- Total maximum amount of support for one project: 300 000 CZK/year.
- The total amount allocated for this scheme for 2025: 600 000 CZK.
- For two-year projects, the minimum mandatory output is a scientific monograph published abroad or two articles published in a journal ranked in the 1st or 2nd quartile according to AIS in the WoS database or 3 chapters in scholarly books published abroad, plus an application for a joint research project to a call for proposals from an external provider. At least one deliverable must be co-authored with foreign experts involved in the project.

Strand 5 - Research project concepts:

- Supported expenditure:
 - No support for personal expenses is provided under this scheme, except for scholarships. Maximum amount of scholarship for a student team member: 12 000 CZK.
 - Other direct non-investment costs related to the implementation of the internal grant, e.g. materials, small equipment, software, literature, travel costs, services.
- Total maximum amount of support for one project: 100 000 CZK.
- Total amount allocated for this scheme for 2025: 200 000 CZK.
